In response to applicant's filing dated April 02, 2004. The following action is taken:

Claims 1-27 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior art shows or teaches an optical disk lead-in area determining apparatus without using a limit switch comprising: a servo driver outputting a first servo control signal and a second servo control signal, a servo signal processor having an optical movement determiner and outputs one of the first or second servo control signals, the movement determiner determines whether a track is detected based on a track related information at a current position in which an inner area of the disk is deterred based on the determination result.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. 5974013.

Any inquiry concerning this communication should be directed to NABIL Z. HINDI at telephone number (571) 272-7618.
